STEP **2**

# ON-CAMPUS OPPORTUNITIES

## **COTTAGE DECORATING**

STEP2 has 25 cottages on our “Lighthouse Campus” serving as homes for our clients and their children. These cottages are furnished and decorated using community donations, and clients are able to take all furnishings and décor when they move on to their own homes. When a new client moves into a cottage, that home is decorated for her.

STEP2 invites groups to decorate the cottages before client move-ins with either décor donated by that group or with items already owned by STEP2.

## **COTTAGE PAINTING**

Help us maintain our cottages by putting on a fresh coat of paint.

## **COTTAGE HOLIDAY DECORATING**

STEP2 invites groups to decorate clients’ cottages for the holidays. These groups are able to bring holiday cheer to one or more cottages by putting up a tree, hanging a wreath and adding warm winter spirit to our campus.

STEP2 asks that the groups that sign up for this opportunity bring gently used or purchase new decorations. These decorations will be given to the families to use for years to come.

## **YARD CARE**

STEP2 has a beautiful six-acre campus and invites individuals and groups to help with yard clean-up and maintenance.

## **REPEAT BOUTIQUE**

Individuals and groups are invited to assist our Donations Coordinator by taking inventory and organizing donated items.

## **CLIENT GROUPS**

Support our clients in their recovery by sharing your hobbies and areas of expertise.

## **OFFICE & STORAGE ORGANIZATION**

STEP2 invites individuals and groups of 4 or less to help organize our office supply cabinets and storage room.
